July 11, 2017

# Agenda

- Report out: Morena Boulevard Specific Plan letter
- SB743 Workshop Report out – George Henderson
- Recreation and Conservation Element Goals Discussion & Formulation
- Next Steps

# Conservation Element

**Primary Goal:** Provide an open space system that preserves existing canyons and hillsides and dedicate open space area as infill development occurs in the community.

## Objectives:

1. Preserve and enhance Marian Bear Memorial Park, Tecolote Canyon Natural Park, Stevenson Canyon and the designated finger canyons as important features providing visual open space.

# Conservation Element

## Objectives (continued):

2. Reduce runoff and the alteration of the natural drainage system.
3. Minimize the damage to Rose Creek and Tecolote Creek by urban pollutants, erosion and siltation.
4. Protect the resource value of canyon areas and plant and animal wildlife with the community.

# Conservation Element

## Objectives (continued):

5. Establish residential development guidelines in areas adjacent to the open space system to prevent the intrusion of incompatible development.
6. Prevent residential landscaping from modifying the biological resources of canyon areas by using plant species that are non-invasive and compatible with the native vegetation.
7. Protect the resource value of artifacts and paleontological remains and the community's heritage for future generations.

# Recreation Element

**Primary Goal:** Provide a system of parks and recreational facilities to meet the recreational needs of the entire community in conformance with the Progress Guide and General Plan (General Plan) standards.

## Objectives:

1. Ensure the use of school playgrounds and other recreational facilities for public use after school hours.
2. Continue to upgrade and modernize park and recreational facilities within the community
3. Increase recreational opportunities in new residential and commercial development

# Next Steps: Draft work program
